

## LOT PURCHASE

You can now purchase a beautiful wooded home site in Teaswood Avenue and get started on your new custom home plans at your leisure. We have made financing arrangements so that you can purchase your lot now and have up to 24 months to start construction on your new custom home. If it serves your needs better of course you can pay cash for your lot. Either way you can pick your lot now and take a little more time before you start the design and construction phase or start now, your lot will be secure for you.

The experienced Teaswood Avenue Custom Builders and Marketing team are here to help you. We will be right there with you through all phases; from your lot selection, to floor plan lay-out, to elevation design, to color selections and specification review, and of course through all stages of construction. We are here to serve you so that this is the easiest and most enjoyable home purchase you will ever have.

Don't wait come out now and pick your future home site while the best lots are still available and let's start the process on your new custom home today.
